THE ED

MORGA

Busty Morgan wanted to combine her two favourite things – cricket and porn, and who were we to argue? "This shoot seemed perfect for me, as I love cricket and The Ashes have started! I wanted to pay homage to those fit guys in their whites, as well as raising England's spirits a bit!" We're sure you've raised more than their spirits, love!

MIA

And we thought we were going to have a heavy one. "On New Year's Eve last year I got so wasted," sighs Mia, more in hope than expectation of sympathy. "I woke up with two blokes in my bed, one of them with a strap-on on, some party poppers and streamers and a silly hat. It wouldn't have been so bad but I had to be at work in the pub round the corner! I told them to go screw their job and went back to nurs-ing my two fellas back to health. I toasted the New Year with a pussy full of spunk!"

EMMA

Trash-talking tart Emma (27) wants to talk dirty to you in between mouthfuls of your cock. The North Londoner likes to shock men with her potty mouth. "I turn myself and them on with dirty words. Nothing gets a man harder than telling him exactly what you want him to do to you. Now fuck me harder you bastard!"

True Con

Being a landlady, you can get more than just the rent! Just ask Karen from Reading...

My husband is 15 years older than me and isn't up to fucking me as much as I want. This means I have to find the rest where I can get it, but that's not hard and, though I haven't told my husband, I'm pretty sure he knows.

A few years back he inherited a big townhouse and we decided to let it out to students. It's now being rented by three lads, and I keep finding excuses to pay them a visit! At 38 I'm twice as old as a couple of them, but I look good for my age.

The other week I went along, wearing tight jeans and a low-cut top. As one of the boys, Harry, let me in, I heard some frantic scuffling in the living room. I found them all clustered around the TV, looking a bit red-faced. They seemed to be watching some wildlife programme, but the empty video case on the floor told me they'd just switched off some hardcore porn.

"when I gave his cock a wanking, it seemed to swell and throb in my hand"

"Don't mind me," I said, grabbing the remote and flicking the film back on. A couple of girls were in sixty-nines on the floor while a huge-cocked bloke rammed one of them from behind, his balls virtually slapping the girl under her

in the face. The boys blushed beetroot red so I thought I'd really wind them up, sticking the remote down my top and telling James and Ashley - on the sofa - to budge up so I could sit on the settee.

"And I thought you were such nice boys," I teased them. Then I told them - lying through my teeth - that I'd never seen a porn film before and was curious.

Now they knew I wasn't going to evict them or anything, they stopped feeling awkward and Harry offered me a beer.

I don't mess around - by the time he got back, I was snogging away with Ash, and James, feeling cheeky, fished the remote out of my top then put his hands in to grope my tits. I tore myself away from Ash and grabbed James by the ears, pulling his face in between my boobs. He grabbed hold of them and squeezed them hard, then pulled them out of my top so he could suck on my nipples.

"Don't just stand there," I said to Harry. "Kit off." He started fumbling off his clothes and the other two did the same.

Now I had three gorgeous naked boys, already rock-hard, watching me as I undressed slowly and sexily.

I pointed at Ash. "On the floor," I said,

and he lay down on the rug. I couldn't have got him any harder, but when I gave his cock a wanking, it seemed to swell and throb in my hand. Then I guided it to my hole, taking it in down to his balls with one single thrust. I rode him hard from the off, my tits bouncing around like mad until he reached up to grope them. Meanwhile, the other pair just gawped, until I beckoned Harry over.

I got him to stand in front of me, his firm young cock right in my face. I rubbed it over my cheeks, pursing my lips as it skimmed them, then took him in my mouth. I could tell from the way his body stiffened in surprise that he'd never been deep-throated before, so I switched between sucking on his helmet and then – just when he wasn't expecting it – taking him in down to his balls again.

I knew it wouldn't take too much to get lads of 19 and 20 to cum their brains out and, sure enough, Harry was soon gritting his teeth, trying to hold back. I didn't let up and soon I took a load of fresh tasting cum all over my tongue. As I sloshed it around my mouth, I snapped my fingers at James. "You liked my tits, didn't you?" I asked. He nodded, and I told him he was going to fuck them. Letting Ash slip out for a second, I scooped a load of juices from my cunt and slathered them on my tits. Then, as James slapped his prick between them, I shoved them hard together around his shaft, squeezing and milking it until he emptied his swollen balls all over them.

It's not often I feel literally shagged out, but I called it a day after a couple of hours. The lads always had their porn film to wank over if they still had the energy. "Don't forget, if you want anything, just ring your Auntie Karen," I told them. "I'm glad you're not my auntie," said James. "I couldn't fuck you then."

DONNA

At 46 years old (no, that's not a typo) we think Donna looks better than most of the impressionable 18-year-olds we've had our wicked way with. But it's not like she's lived her life in a tank of Oil of Ulay drinking green tea either. No, stunningly-stacked Donna's lived it up with the best of them, shagging her way through three decades worth of boob-loving men and looking for more bonks in the next three. "I think I'd like to die shagging. I can't think of a better way to go!" Neither can we – suffocating in this chesty canyon is what's called a happy death!

There's something about having sex al fresco that we really love. Of course, it does depend on who you're with, and Scarlet, with all her experience and wisdom, blew our tiny minds – among other things! We do love young, nubile girls, don't get us wrong, but there is definitely something about an older woman that hits every one of our buttons, every time!

True Confessions

MILF Donna from Bridlington gets the white stuff after a cream dream date with a stranger...

I've been married for nine years now and until last week I never dreamed I would cheat on my hubby. But I was totally unprepared for the powerful physical attraction I felt when I met Vincent during a shopping trip.

I was pushing a loaded trolley to my car when a gust of wind blew some of the lighter items off the top and sent them flying across the car park. To cut a long story short, Vincent was just parking his motorbike and he ran to fetch them as I struggled to put the rest of my shopping into my car.

I couldn't help smiling at the helpful young stranger, and I became all giggly and flirted quite shamelessly with him. He had the most amazing body, which led me to behave more like an hormonally-driven teenager than a long time wife and mother.

It was hardly surprising then that I accidentally left a bag on the ground beside the car as I reversed out and drove home. Vincent noticed the bag once my car had left, and, picking it up, kindly followed and tried to catch up on his motorbike. He arrived at my home just behind me. Naturally, I offered to make him a coffee for his trouble and he helped me to unload the car.

When we sat beside one another at the breakfast bar chatting there were sparks flying. And then I was in his arms and we were kissing like two teens.

We went upstairs and got on the bed and I allowed him to undress me, pleased at his appreciative reaction as he unwrapped the goodies, as it were. I was just as impressed when I unleashed his large erection and ran a hand over a lovely large, tight pair of young balls. Unsnapping my bra, I allowed my DDs to spill out, smiling as I felt his cock twitch in my hand. It made me feel powerful to know how aroused I had made him without even trying and decided to further his sexual education.

I rolled onto my back, wriggled out to my panties and started fingering myself. Vincent climbed on top of me but I prevented him from mounting me, thinking that a little bit of cunnilingus would definitely increase my pleasure. Spreading my labia, I asked him to lick my pussy. He smiled broadly, holding my legs wide apart so he could take in the scenery. Then he began to lick up and down my dark pink slit, teasing my throbbing pussy with his tongue. Tingles of pleasure pulsed through my slit as he lapped up and down its length, and when I instructed him to flick his tongue over my clit my juices began to flow. At this point Vinnie lost all shyness and began to suck hard on my clit, his tongue licking up my pussy juice. Between sucks he greedily gulped it down.

"Spreading my labia I told him to lick my slit"

It felt so good that I immediately grabbed hold of my nipples and began playing with them as I directed him on how to use his tongue and fingers to give me the most pleasure. He quickly got the idea and began manfully licking and frigging me to a massive orgasm. I writhed and gasped, coming hard as Vinnie continued to finger-fuck me so vigorously that in the end I had to beg him to stop.

I asked him in a teasing tone if he had ever fucked a woman up the bum before. His whole body tensed and he stared at me in disbelief, making me smile at his

fessions!

innocence and vulnerability.
In the end we decided to start with my pussy, and work our way into some anal. I lay on my back so that he could fuck me missionary style, and was surprised at the force and rhythm that he built up in no time. My back arched and my pussy throbbed as he rode me vigorously towards another massive orgasm.
I begged him to stop for a second, went on all fours and handed him a bottle of lube. Vincent was almost over-excited, so I talked him through the delicate process of lubing me up. He was very nervous, but once he got behind and pushed his cockhead against my ring he forgot all that and got down to the job in hand. His shaft was fairly thick, and although it took a few slow yet firm thrusts to get his cock inside my arsehole, once there he inched the rest of the way in with no problems at all. I was very hot and I played with my clit while Vincent began to move slowly inside me.
With my breath coming in short harsh gasps I felt his wonderful young cock thrust deeper still and his balls slapping against the backs of my thighs. Harder and faster he plunged it, riding my tight rear entrance like the porn studs he seemed to be trying to emulate.
The friction of his cock pushing in and out of my anus as he fucked me hard from behind was all the stimulation I needed to come, but the incessant pleasant throbbing of my pussy as he shagged my arse was a bonus. He was gasping for air now, he was working so hard, but I still wanted to taste his jizz, so I urged him to pull out before he came and splash over my face. I didn't have to ask twice.
Vinnie pulled out of my bum-hole and I turned in time to receive his full load right across my eyes, brow and cheeks. I almost purred as I felt his ejaculate dripping from my eye-lids, and I tried to catch what was left of his deliciously warm and creamy come on my tongue.
It was a day to remember for me, but I'm sure Vincent will also spend many hours masturbating whenever he remembers it.
Donna, Bridlington

The doctor will see you now... or rather we'll see YOU now, doctor! We've always struggled to keep erections down while having physio sessions, prostate exams, or, for heaven's sake, our ears syringed, so watching Jazz May giving herself an intimate examination was always going to get us!

GRACE

According to Hereford hussy Grace (28) there's a time and a place for sex. The time is now and the place is here! "I don't care where I am, if I'm feeling horny I just have to get fucked. One evening last week I let my hubby fuck me in the car park of the local supermarket. The cucumber I'd just bought had got my filthy mind thinking all sorts of things so once we'd loaded up the car he had me over the bonnet taking his length until I came!"

As we did this shoot in her bedroom, we asked sexy MILF Holly Kiss what's the naughtiest thing her boudoir has seen. The saucy minx wasn't shy in revealing all her juicy secrets. "I have a very high sex drive, and it's hard to find men who can keep up! I love to be bound, gagged and fucked hard up the arse, but most guys get scared off! That's why I try to pull a new man every week! Plus, it keeps me feeling young!"

CYNTHIA

Smokin' Cynth, with her custom-made corset and cigarette holder, loves to dress for sex. "I'm not one of those girls who jumps on her boyfriend naked. I find the whole ritual of dressing up and slowly stripping off highly erotic!" purrs the 22-year-old Yeovil yummy. Same here – we often get dressed in the morning for work before dropping our trousers below our knees as we make for the front door for just one more wank. "It's more showing a man how sexy I am before he gets a chance to lay his hands on me. It always makes fucking better for both of us!"

True Con

Bored in your relationship? Polly from Wakefield was, but she soon found a solution...

My husband is a regular *Razzle* reader and since finding his collection – so am I! I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys, as if your wife is not going to look under the bed!), and feed my pussy a fist full of my fingers over your gorgeous girls. I get wet and dirty reading other wives' filthy confessions, but as much as I love them I always climax on my very own secret.

What pushed me most to make my own true confession is the thought of my husband secretly wanking over this story – with no idea it's me! I've always been very flirty with guys and didn't intend to stop that after saying "I do", but I never in my wildest fantasies thought I'd be having the best sex of my life with someone else!

It all started when we moved in to our new home, miles away from friends and family. I soon found my days a bit empty and with Tom out most of the time – either working late 'in the office' or following Chelsea FC, I decided to go out and find some fun for myself. I washed my locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress, I looked pretty darn good – far too good to be stuck at home, running round with a duster and pinny on a Saturday night! I admired my long, tanned legs in our huge hallway mirror. Knocking back vodka for some courage, I finished off the look with my patent black, and very expensive 6" heels. I knew I wouldn't have to wait long for some (much needed) male company.

"Getting on my knees I gently took his cock in both hands"

It's funny how a tall, 20-something woman can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't mind and with the vodka kicking in, I worked the room. Within seconds I spotted a bloke sat quietly in his work gear. My heart started to thump under my breasts, as If I knew I had found my Saturday night fuck! He must have been a builder as he was all mucky, and had a pair of boots on with the big bulging toecaps. As I glided over to the bar, I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a big smile and cheeky wink, I accepted his offer of a vodka and we soon got chatting. I wasn't really listening to too much of what he was saying as my whole body was aching to be touched. His strong working hands cupped his pint, but I just wanted them clawing off my clothes. He smelt of man. The scent of a hard day's work – raw sex – and as I nodded and agreed with his conversation, I felt my pussy tingle with excitement in its little pool of juice.

After a few hours, he finally offered to drop me home. I think it was my shrinking dress that did the trick – I'd hitched it so high I might have well taken the bloody thing off! We soon got to where I wanted to be – my

front door. I softly ran my hands over his stubbly strong face. The softness of my hand glided over his lips and he knew he had the green light. Opening the door he gingerly stepped in, his muddy boots leaving a trail of dirt on my cream carpet. If Tom had made that mess I would have had a fit, but with Jay it somehow turned me on and I followed the trail straight into his big, strong workman's arms. His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this as he, in one glorious swoop, swept me off my feet and headed straight to my big, plush sofa. As we fell into it, the weight of him pushed me deep into the cushions. I knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly. Lifting up his shirt, I unwrapped a body to die for. His perfect, muscle-bound chest weighed heavy on my small frame, his cock digging into my thigh though his dusty jeans. Unable to stop myself ,my hand wondered down and found his belt. Unhooking him, I teased myself by slowly unzipping him. As his cock sprang out in a bounce for freedom, my eyes widened in shock and pure joy. I knew I had hands grabbing onto his broad chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon, I tried to distract my self by thinking of my filthy carpet and dirty new sofa, but it only made me worse and I spurted out my sweet cum whilst letting out a scream of pleasure. Biting my lip and giving him a giggle, he laughed and stood up, my legs wrapped round him. Staring right into my embarrassed eyes he said, "Let's do you again, and this time give me a chance to join in!"

Well, that almost made me cum on the spot! Pushing me up against the wall, knocking down the picture painted by my mother-in-law, he begun to pound me like a

"I knew I had picked a winner and nine inches of thick cock was my trophy"

picked a winner and nine inches of thick cock was my trophy. A surge of energy ripped though my body and I freed myself – I needed to get my panties off and that cock in me. Ripping off my dress, I exposed my body. I felt tiny compared to him and desperate to push his cock deep in my cunt. Getting on my knees I took his cock in both hands and licked his length. As my hands rubbed up and down, my spit slipped around my wedding ring, but Tom was the last person on my mind. I was so wet by now I had lost interested in foreplay. Slipping myself down on him, my pneumatic drill. I had never been screwed like this and as his body slammed into me with each thrust I could feel myself losing control again. Sensing this, he picked up the pace even more and then let out a bellowing yell of release as his cum shot up my pussy, giving me the green light to let lose again. My cunt burst like a broken pipe, juice spraying out of me with immense force and onto his warm creamy cock. Breathless we fell back into the sofas soft cushions into a deep sleep. The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet!

LUCKY FUCKERS!
Ever fancied swinging? You never know what fun you could have – just ask Martin, the Lucky Fucker...

My partner, Martin, never lied about being into swinging – something he'd started doing when he was still with his ex-wife. He said no pressure, that we could try it when I was ready, or if I wasn't up for it, that was OK too.

"My cunt felt really heavy with juices"

I think he knew I'd be intrigued rather than put off by the idea – and whenever we saw his friends socially, I'd always wonder who he had and hadn't been in "scenes" with. Sometimes it was obvious – women would be all over him when they said hello and goodbye. Other times, I was kept guessing.

I didn't get plunged in at the deep end – one time, we had a double-date with a couple, Stu and Carla, who Martin told me he'd been in a couple of threesomes with. Stu and I were smokers, so we bonded when we nipped outside for ciggies during the evening. After a few drinks, things got flirty, and we ended up snogging. I decided to let it go as far as Stu pushed it, and he ended up sucking one of my tits and fingering my pussy. Hardly hardcore, but it felt dirty enough for starters!

Stu must have signalled to Martin and Carla that we'd been up to no good, as they seemed to know, but we went our separate ways at

see my XXX PICS AT paulraymond.com/razzle

the end of the night – I think Martin wanted to keep me hungry for more!

It finally happened at a party one night – Martin did give me a few hints that this wasn't just a friendly get-together, like telling me to dress in sexy undies.

Again, it started with drinks and flirting, then the hostess came into the living room carrying a big glass bowl and a grin on her face. I wasn't sure I'd be able to keep a straight face if they started putting their keys in it, like in a 1970s wife-swap, but it was even madder than that!

One by one, the women there took off their knickers and put them in the bowl, with the blokes making a big thing of not looking. They made even more of picking a pair out – not just taking ones they liked the look of, but sniffing and inspecting them, too. Some blokes checked out a few pairs before finding what they wanted. Nobody seemed to take rejection personally, but I was relieved when mine passed the "sniff test" first go!

My fuck-partner was a guy called Tom. Swinging circles often have a couples and single women-only rule, but he was one of the exceptions – the women liked him too much to ban him from turning up solo!

"His hands went straight to my arse"

He was pretty horny – in his late twenties and tall and lean without being scrawny, with longish brown hair. I had to crane up to kiss him and his hands went straight to my arse – now knickerless, obviously!

He took me off to one of the bedrooms and undressed me, kissing me as he went along, and playing with my tits. They're a nice handful and he cupped and

got in position, and let out a moan as, finally, he stuck his cock in my now-dripping cunt. He was an arrogant bastard, but charming with it – not acting like I was lucky to be taking his dick, but saying he hoped Martin appreciated my tight pussy and big tits as much as he did. Right then, he was thrusting in me down to his balls, and squeezing a boob hard in each hand. He kept on catching my eye in the mirror, then he slipped his thumb in my mouth for me to suck. I treated it

squeezed them, sucking on my nipples until my cunt felt really heavy with juices. Then he lapped a trail down over my belly and mound, before flicking the tip of his tongue into the very top of my slit. I kept angling myself,

"I licked and teased his balls"

trying to get him to lick my clit, but he whipped me into a frenzy before finally going for it. Then he laid me back on the bed before stripping off.

He had a lovely big cock on him, and he knew it, not quite posing but making sure I got a good look! He really knew how to eat pussy, too – spreading my lips wide apart with his tongue before licking and fingering my clit and hole. But he knew I'd be desperate to take his cock – every time I got a glimpse of it jutting up, I'd feel a pulse deep inside me.

He had me cumming once, then grabbed a mirror off the wall, propping it up against the headboard. He wanted us both to see, so I got on all fours, arse up and back, and he wanked himself with one hand while fingering me with the other. I was buzzing as he

visit www.paulraymond.com

like it was a cock, gobbling and teasing him with my tongue. That had him thrusting slightly harder, but then he pulled his thumb out and slipped it up my arsehole. I was writhing and twisting back against him and he fucked me a bit faster, then reached his free hand onto my clit and I started cumming, pussy clamping tight around him just before he shot his load up me, too.

He got up and opened the door slightly – our signal to anyone passing by that we were up for them watching and maybe joining in. And it wasn't long before we had a couple of takers.

I was on my back now, legs apart and playing with my spunky snatch when this cute blonde girl, Pinky, and an older bloke walked in. He looked a bit spent, to be honest, but she was only just getting going. Tom asked her did she fancy a mouthful of cum. She replied yes, that would be lovely.

"Help yourself, then," he said, pointing to my pussy. Soon, she was slurping away, face down and arse up, giving Tom a good view of her crack and slit in the mirror. He was kneeling at my head, playing with my tits, but then he shuffled forward, so he could reach over the length of Pinky's back to finger her.

He was straddling my head, and his prick was hardening over my face, so I let it drag over me as I licked and teased his balls with my fingers.

I waited till I'd got him hard then mouthed my way up, root to tip, tasting my own juices, before sucking his helmet into my mouth. I took it slow, wanting to prolong the fun as this gorgeous girl ate my cunt – but he seemed to be fingering her more urgently, and she was doing me harder, too.

Soon, I was cumming in her mouth, bucking under them both, wanking Tom till I had enough control to suck him again. Pinky was sitting up, snogging him but gently teasing my tender crotch with her fingers. She wasn't getting his cock just yet, though – she'd already tasted his spunk. And so I sucked him till his second load was gushing down my throat…

"Martin just let fly with his cum, dousing my globes and nipples with it"

Martin turned up about half an hour later, just to check I was OK. By this time, Tom and Pinky were having their fun, and I was riding another bloke, whose "lucky dip" partner had really been on the prowl for pussy, leaving him as the spare cock.

I asked Martin did he want me to suck him, but he said he fancied wanking over me. His hand was a blur as he saw me bounce on my new friend's prick, and then I arched back, displaying my tits and Martin just let fly with his cum, dousing my globes and nipples with it.

The guy underneath me started banging up hard into me, as I played with my boobs, loving how Martin's spunk formed sticky strings between them as I let them bounce apart.

I will admit I was a bit surprised when Martin said we were going home – we could have stayed all night but, once again, it was a case of "leave 'em hungry for more"! Tom, still mid-fuck with Pinky, winked at me and said he'd see me next time, and I really hoped so.

I was ready to go again when we got home, even after cumming so many times already. But Martin said he was knackered, so I'd have to wait. I didn't get much sleep – I just laid there, quietly teasing my pussy with a dildo, desperate for him to get hard. And when he did, he didn't have a chance. He woke up to find my mouth wrapped around his hard-on, then I stuck it into my cunt and didn't stop riding him until we'd both cum our brains out…

We love older women, and they don't come much finer than US pornstar Lisa Ann. Although she started fucking on film way back in 1994, she first caught our eye when she starred in the now infamous, Who's Nailin' Paylin – a porn parody about the comically right-wing American Vice-Presidential candidate.
